

## PRESS RELEASE

### Quha receives a Zero Project Award 2025 for the Quha Zono X Assistive Head Mouse

Nokia, December 3<sup>rd</sup>, 2024

Quha's head mouse Quha Zono X has won a Zero Project Award 2025 for its innovative computer access solution.

"I am delighted to visit the Zero Project Conference 2025 to receive the award. The award is a recognition for our long-term work for assistive devices.", says Jussi Kujanpää, Managing Director at Quha. The conference takes place from March 5-7 at the United Nations Office in Vienna. More than 1,000 participants from 100 countries are expected to attend.

Quha Zono X is a tiny wireless head mouse. The head movement detecting Bluetooth® mouse weighs only 12 grams and is worn discreetly on an ear clip. The mouse enables accurate hand free access to computers, tablets and smartphones. Typical Quha Zono X users are people with hand injuries or disabilities which prevent using desktop mice.

Quha Zono X is a CE and MDR certified medical device. Quha Zono X is compatible with Windows and Mac computers, Chromebooks, iPads, iPhones, Android devices and other devices with Bluetooth® mouse support.

#### About Quha

Quha is a Finnish company designing and manufacturing medical devices including computer access devices for people with special needs. Quha sells its products worldwide in over 30 countries. Quha's web pages are located at [www.quha.com](http://www.quha.com).
